

Please do not stop any services XM radio has to offer it's loyal customer base!!!!!!! It is a great service that I believe you do not have a right to dictate what XM can and can not broadcast. I am a strong supporter for XM Instant Traffic & Weather as well as the other channels XM has to offer. I SAY DO NOT STOP XM from providing XM Instant Traffic & Weather. Please reject NAB's petition 04-160.

Thank You.

Sincerely

John D. Strong III
